**Rebates:**

1. **Enhanced Primary Care plan Medicare Rebate:** please contact your GP to see if you/your child is eligible for an Enhanced Primary Care plan (EPC). This entitles you to a \$52.95 refund. Unfortunately, Medicare does NOT accept your treating paediatrician’s referral letter for this rebate. Only individuals with a “chronic condition” are usually considered for this type of referral. Examples of “chronic conditions in paediatric nutrition care: Fussy eater with behavioural issue, iron deficiency anaemia or chronic constipation, overweight/obese with vitamin D deficiency, low iron stores and underweight, coeliac disease, etc
2. **Nominated Private Health Fund** (No HICAPS, payments are made in full and rebates organized directly with your health fund using your receipt): Please contact your health fund to discuss rebates for dietitian service provider number 2880956L (Hanan Saleh, APD, Paediatric Consultant Dietitian)

\*Chiropractic claims not available via HICAPS for Doctors health fund.

3. **NDIS REGISTERED PROVIDER.** Hanan Saleh is a registered NDIS provider. If your child has been approved funding through the NDIS program, please email your child’s full name, DOB and NDIS number to [nutrition@thefoodexpert.com.au](mailto:nutrition@thefoodexpert.com.au) and indicate if you are self managed or plan managed. Hanan can then assess if there is funding for a nutritional assessment/review and put together a service agreement for both parties.
